Explanation of Responses:

- Reflects a "sell to cover" transaction to cover the reporting person's tax withholding obligations in connection with the vesting and settlement of 34,936 restricted stock units previously granted to the reporting person and does not represent a discretionary sale by the reporting person.
- In connection with a grant of employee stock options on February 23, 2024, as reported on the reporting person's Form 4 filed on April 19, 2024, the reporting person forfeited a total of approximately 66,256 restricted stock units and performance stock units. Furthermore, the reporting person's Form 4 filed on January 9, 2024 inadvertently reported the acquisition of shares of Class A common stock of the Issuer that had previously been reported as being beneficially owned by the reporting person under Table I of the reporting person's Form 3 filed on December 26, 2023.
